Subject: Draft proposal for data collection for interim cap
[Proposal for Aerovox data collection Rev 01.docx](#)
[Figures 1-3.pdf](#)

Dave,

We put this preliminary proposal together to address items 2 and 4 on Steve Wolf's memo of March 31st. It covers the rough draft of the proposed data gap/data collection for completing the groundwater model to design the interim Aerovox cap. We can discuss further when Dan and Steve return to the office next week. Please let me know if you have any questions.

Thanks,

Mike
